MISSIONS

- More JESUS Film teams are needed in Africa. Local leadership has identified the need for 14 new national teams in 7 countries. Pray for people to participate in JESUS Film Ministry trips to fund and deliver equipment to Africa.
- Praise the Lord for the encouraging report received from the Nazarene JESUS Film team in Congo. In their first efforts to share God’s love with the people of Congo, 209 individuals made a decision for Christ.
- Pray for the Christian communities in areas of the world where there are radical factions that seek to hinder their ministry and harm them personally. Pray for safety and for these believers to show Christ’s love to all people, at all times, in all circumstances.
- PRAISE: Linda Russell, missionary to Russia, shares, “We have had 4 wonderful weeks of Vacation Bible School (VBS) on the CIS Field. Last week we had 52 children pile into the rented house we are using as our church in the new church plant city of Stepanavan, Armenia. This week we have had 59 children attending the VBS at our church in Akhuryan, Armenia. The last day of each VBS we hold a program for the parents and the response has been wonderful.”
